Sadia has been complaining about, has also been well catered for.

(Applause)

Therefore, I feel it is genuine and I support though there was a Member.... *(inaudible)* but being a FAP member, you'll have no problem according to whatever we have been discussing! So, that one will not do anything, thank you very much.

Hon. Tura Ruru Elema: Thank you Mr. Speaker. I stand to support the motion. I am also happy the changes that considered fresh KANU.....
