- a) The project budgeted and approved per wards and per departments from FY 2017 to date.
- b) Status of all County Government projects from 2017 to date and their status.
- c) Status of payments for all the projects as from 2017 to date
- d) Status of pro-poor and institution support kitty and all the beneficiary projects from the pro-poor kitty
- e) Comprehensive reports on the status of pending bills for all the departments and clear road map the departments have put in place to pay all the affected merchants/contractors.
