**\*7\* STATEMENTS**

Pursuant to Standing order 41(2)(c), I wish to request for a statement from the chairperson of the committee on Education, Skills Development, Youth and Sports regarding Marsabit County Scholarship Fund in the County.

Mr. Speaker, Marsabit County Scholarship Fund was established to assist the needy but brilliant students attaining Kenya Certificate of Primary Education 300 and 350 marks for girls and boys, respectively to obtain Secondary Education.

Mr. Speaker it's clear that most students are incapable of other expenses that are required at boarding schools, consequently such students opt to change to Day schools. Therefore, this has affected the education sector especially in the disbursement of scholarship fund since there is differences in school fees both at Boarding and Day schools.

Hon.Speaker from this background I wish to inquire the following from the chairperson of the Committee-;

1. Does the fund cater for school fees for boarding and day school differently?
2. List of the students that have changed from boarding school to day school.
3. List of students sponsored and all the changes that have been made.
4. What happened to the remaining fund balances and what do they have to do with them?
