Hon. Speaker, the workers of Marsabit County are suffering particularly the casual workers. The casual workers can go for months without salary despite facing challenges they are providing services. The time has come for this House to rise to the occasion and stand with them by ensuring that casual workers receive their due compensation.

Additionally, Hon.Speaker by obtaining factual information regarding the status of these workers' salaries, the house can assess the situation and appropriate action to address any differences in the allocation of funds meant for their remuneration. It's imperative that we stand in solidarity with these workers and work towards resolving their grievances.

Consequently, pursuant to Standing Order 41A (5) I request the County Executive Committee Members to furnish this House with the following information, with the format below as this will assist the House to do further inquiry on the fund meant for their salary before taking appropriate action—;

- 1) All casual workers under their departments;

2) The number of months the said casual workers have not been paid;

Names of the casuals	Work station	Id no.	Contact	Year in service	No. of months not paid
